Government Order No. 963-6—G. 199, dated the 16th July 1894, directing that owing to the neglected condition of the charities founded by the late Nowl Krishna Doss in Paschimavahini, Seringapatam Taluk, the Inam villages of Turuganur and Basavanahalli in the T.-Narsipur Taluk intended for the maintenance of these charities may be taken under Government management.

2. Government Order No. 9047-48—R. 1369, dated 2nd December 1894, directing, on representations made by the Vrittidadars, that the question of restoring to them the vrittis or their equivalents would be favourably considered, after they build their Agrahar houses in a locality approved by the Deputy Commissioner.

3. Government Order No. 797-8—Muz. 31-94, dated the 25th December 1898, recognising the right of the several Agrahar Inamdars to their respective shares in the income from the villages during the years 1886-1894 (during which the Inam was under Government Management).

4. Government Order No. 745-6, dated 17th August 1904, giving a final chance to the several vrittidadars to construct within one year's time houses on the sites at Seringapatam selected by the Deputy Commissioner.

5. Government Order No. 3110-12—Muz. 696-15-11, dated the 5th March 1921, directing that the arrears of vritti amounts held in deposit cannot be refunded to Sumati Anantachar, one of the Vrittidadars, as the Agrahar house built by him at Seringapatam intended for the quarters of a Brahmin had been rented out to a school.

6. Review application No. 1103, dated 31st October 1922, from Sumati Anantachar, praying that on a reconsideration of the foregoing order, arrears of vritti amounts may be refunded to him and also his vritti may be restored to him.

ORDER No. 1317-21—Muz. 264-22-9, DATED 17TH APRIL 1926.

The villages of Turuganur and Basavanahalli in the T.-Narsipur Taluk were granted as Sarvamanya by His Highness the Maharaja Krishnaraja Wodeyar to Nowl Krishna Doss by Sannad, dated 8th March 1820, for the maintenance of certain charitable institutions, viz., a chattram, a temple and an Agrahar at Paschimavahini. The villages were registered during the Inam Settlement, as Devadaya grant to be held by the Manager for the time being of the charities established by Nowl Krishna Doss. As the charities were neglected, and no Agrahar was built, the villages were taken under Government management in 1886 and subsequently resumed to Government in Government Order No. 963-6—G. 199, dated the 16th July 1894.

2. On the representation made by the Vrittidadars it was directed in Government Order No. 9047-48—R. 1369, dated 2nd December 1894, that the question of restoring to them the vrittis or their equivalents would be favourably considered after they build their Agrahar houses in a locality approved by the Deputy Commissioner and otherwise conform to the conditions of the original grant. In Government Order No 797-8—Muz. 31-94, dated 25th December 1898, the right of the several Agrahar Inamdars to their respective shares in the income from the villages during the years 1886-1894 (during which the Inam

The villages of Turugannur and Basavanahalli in T. Harasipur Taluk were granted as Sarvamanyam by His Highness the Maharaja Kristna Raja Wodayar III to Naul Kristna Doss by a sannad dated the 8th March 1820 for the maintenance of certain charitable institutions viz., a Chattram, 3 temples and an Agrahar at Paschimavahini. In November 1832, the donor divided the Inam into 18 vritties and assigned them as follows:--

This vritti is according to the grant a Devadaya one. But in 1833 the vritti was gifted away by the priest of the Matt to one Srini-vasachar and it has since been treated as a personal vritti along with those of the Agraharikas. Hence 12 Agrahar vrittis.

2. The village lands were however not divided into separate holdings and allotted to the several vrittidars; on the other hand the management of the villages was retained by the Inamdar as Manager of the Charities, and the net revenue realized year by year was divided amongst the several vrittidars in proportion to their respective shares.

the Agraharikas owing to the latter not receiving their vritti allowances regularly and some of the Agraharikas commenced suing the Manager in Civil Courts for the recovery of their vritti allowances.

4. While the parties were thus contending in Civil Courts, the Inam Settlement took place in 1880. In this settlement the villages were registered as devadaya grants to be held by the Manager for the time being of the charities established by ~~Maul~~ ^{Nowl} Kristna Doss. At the enquiry the Vrittidars petitioned the Inam Superintendent praying that the names of all the twelve Agraharikas may be entered in the title deed. But the Inam Superintendent rejected the prayer observing that the names of the Vrittidars should *not* be entered in the title deed.

5. In 1885, the Sub Division Officer of French Rocks found all the institutions in a neglected condition and after enquiry and perusal of the previous records passed an order directing that the Institutions and their endowments should be taken over under the direct management of the Taluk Amildar. The order was accepted by the Deputy Commissioner who instructed the Amildar of ~~T~~ Narasipur Taluk to assume the management of the villages and remit the collections to the Amildar of the Seringapatam Taluk in view to the money being applied for the benefit of the charities. An Istihar notifying such assumption was accordingly published on October 1887 for the information of all concerned. On proceeding however to settle the revenue affairs of the villages the Amildar experienced at the outset ~~xx~~ some difficulty in collecting the rents from the ryots as the Munsiff's Court had previously

attached the villages for the debts due by the Manager to the Vrittidars and had appointed a Receiver for the management of the Villages. The Deputy Commissioner thereupon reported the foregoing circumstances to Government and sought orders on the subject of the liability of the Inam villages to attachment by civil courts in satisfaction of the Manager's personal debts. Later on in July 1889, the Deputy Commissioner addressed another report to Government, submitting copies of the attachment orders issued to his Office by the Civil Courts and soliciting early decision as to the liability of the Inam villages to such attachment. The Court was at the same time informed by the Deputy Commissioner of the fact that the matter had been reported to Government for orders. The Amildar was also directed to make arrangements for the regular jamabandy and revenue collection of the two villages which he did with -- effect from the year Sarvajit (1887-88).

6 In December 1889, Kurma Subbannachar, one of the Agrahar Vrittidars, petitioned the Deputy Commissioner submitting copies of civil court decrees obtained by him and certain other Vrittidars in respect of the vritti allowances due for the years Tharuna, Paruhiva and Vyaya and praying for the payment of the decreed amounts out of the revenues of the Inam villages collected by Government Agency. The Deputy Commissioner (Mr. Meile^KJohn) submitted the petition and its enclosures to Government for orders, observing as his opinion, that the amount recovered by the Government since 1886 and held in deposit should first be utilized for repairing the Chattram and meeting the cost of the maintenance

maintenance of puja services in the temples, and that any balance remaining after meeting the above expenditure might be distributed to the ~~DEPARTMENT~~ vrittiddars according to the Decree and in the proportion of the Inam grant.

7 In November 1893 a petition was received by Government in the Muzrai Department complaining that the Charities established by ~~Wail~~ ^{Nowl} Kristna Doss had fallen into decay and that the proceeds of the Inam villages endowed thereto were not being applied for the purposes of the Institutions. The Deputy Commissioner to whom the petition was referred reported that the Institutions were all in dilapidated condition. The successor of the original grantee ~~Wail~~ ^{Nowl} Venkata Doss) being called upon, for an explanation offered to surrender the Inam villages to the Government and prayed that the charitable Institutions above named might be maintained from their proceeds.

8 Government thereupon passed an order No. 960-b/G. 199 dated the 10th July 1894, directing the Deputy Commissioner to assume possession of the villages and to apply to the Superintendent of the Revenue Survey the introduction of survey and settlement into them as Government villages. In this order, Government added that it was not their wish to allow Charities of some local usefulness to be utterly abolished and that they would be willing to make a reasonable grant from the general revenues of the State to the Muzrai Department for the restoration and maintenance of the Chattram and temple as Government Muzrai Institutions.

9 Sometime after this order was passed the vrittidars complained to the newa^l of the resumption of their vrittles; and in reply they were told that the resumption was ³just and proper and must continue in full force and ~~of~~ effect, and that the Government however would consider favourably the question of restoring to them the vrittis or their equivalents, ~~xxx~~ after they build Agrahar houses in a locality approved by the Deputy Commissioner and otherwise conform to the conditions of the original grant. The vrittidars were also directed to apply to the Deputy Commissioner for the selection of ~~the~~ a suitable site for their Agrahar which, wherever built should be known after the original donor.

A Government order to this effect ~~was~~ was passed in Proceedings No. 9048-9/R. 1369 dated the 2nd December 1894, and communicated to the Deputy Commissioner, Mysore District.

10. The Inam villages were thereupon resumed to government with effect from the year Jaya (1894-5).

11 The Deputy Commissioner was instructed, to allot sites to the vrittidars at Seringapatam for the construction of a New Agrahar. But when the Deputy Commissioner proceeded to do so, none of the vrittidars showed a desire to build. On this being reported, to Government, ^{an} order No. 500/Muzrai File 31-94 dated the 5th October 1896 was passed requesting the Deputy Commissioner to prepare a plan of the sites newly allotted to the several vrittidars and serve on them a notice requiring them to take charge of their respective sites and commence building thereon within a stipulated time and inform

at the same time that in case they fail to do do, the sites will be otherwise disposed of.

12 On this the vrittidars expressed their willingness to build and the Deputy Commissioner, recommended that they might be put in possession of the sites and paid the arrears out of the realizations of the Inam villages in small sums as progress was shown by them in the construction of the houses. The Government passed an order accepting this recommendation and observing that the vrittidars were entitled to receive only the net revenue collected by the Government from the time when the villages were taken over under Government management in the year 1886 to the date on which the villages were finally resumed under the order of July 1894 and authorising the Deputy Commissioners to disburse to the vrittidars the amounts due to them after satisfying himself as to the present claimants being the rightful representatives of the original grantees and deducting the ~~sums~~ ^{same} reported to have already been paid to some of them.

at Seringapatam, must be given a final chance with one year's time to carry out the conditions offered to them in the order of December 1894 and distinctly warned that the promise then made will be finally withdrawn and cancelled after the expiry of this period. The arrears of the vritti allowance from 1886 to 1894 may however be utilized in giving to such of the vrittidars as show an inclination to build houses and live in the Agrahara, a suitable advance for such construction on their giving proper and adequate security. The Deputy commissioner is requested to see that when an advance is made the vrittidars actually build and live in their house and perform the conditions of the grant within one year of such advance being made. The Agrahar houses should be built in accordance with an approved plan and in a suitable and healthy locality."

15 In regard to the temples and the Chattram the government in proceedings 825-6 dated 11th August 1904 (Fin. Dept), referred to above, sanctioned the payment of the arrears of vritti amounts from 1894-5 to 1902 and fixed the vritti allowances payable to the Institutions from 1903-4. as hereunder.

The Amildar of the Seringapatam Taluk should be directed to see to the regular performance of the services in the temples.

A regular estimate and a plan for thoroughly repairing the Chattram should at once be submitted by the Deputy Commissioner to Government in the Puzrai Department."

17 A care-taker on Rs. 5 was also sanctioned to the Chattram, the charge being met from the sum of Rs. 13-12-0 a month allotted for the Chattram.

18 In March 1906 Kurma Subbannachar one of the vrittidars, submitted a memoria praying among other matters, for the cancellation of the Government Order relating to the resumption of the villages. Some of the other vrittidars joined Kurma Subbannachar, and prayed also for a reconsideration of the Government Order no 9048-9/R. 1569, dated the 2nd December 1894, which makes it incumbent on the vrittidars to build Agrahar houses before they prefer their claim to the Sarvamanya vritties or the income therefrom. On this ~~point~~ ^{point} two of the petitioners, viz., Kurma Subbannachar and Subba Krishna Rao, who represented the other ~~cases~~

contending vrittidars also, were heard. They contended that they were not bound to build Agrahar houses anywhere, because the grant of vritties to them by the founder of the Agrahar in 1832 did not impose any such condition on them and they urged that the Government Order of the 2nd December 1894 be therefore cancelled and that the sarvamanya villages restored to the vrittidars unconditionally. But the Government decided that this contention was untenable holding that the chief condition of the grant of the villages in 1820 by His Highness the late Maharaja Krishnaraja Wodeyar Bahadur III to Sahukar Govil Krishna Das Sait, was the maintenance of the Chattram, Temples and Agrahar built by the latter at paschimavahini on the banks of the river Kaveri and the confirmation of the Inam by the Inam Department was also on that condition. The Government observed that in the case of the vrittidars, it was specifically stated in the Inam Register that they should maintain the Agrahar houses and reside therein themselves or keep persons in them qualified to observe the conditions of the grant and as the Chattram and the Temples were being maintained in paschimavahini in accordance with the conditions of the grant provision must also be made for an Agrahar. If the vritties, originally assigned therefor were to be restored.

19 In regard to the question whether the Agrahar should be built in

in paschimavahini itself where it had originally been constructed or in geringapatam where sites had been selected and allotted in pursuance of the Government order of 1898, or whether the Agrahar houses could be permitted to be constructed anywhere else, the Government observed that all the vrittidars, including the memorialist and the others, had agreed before the sub-division officer of French Rocks in 1898 to build houses on the sites selected and pointed out to them at geringapatam, and that they themselves had requested to be permitted to build their Agrahar houses in that town, on the ground that paschimavahini was an unhealthy place.

20. Considering the above facts and also the circumstances that a house had already been constructed by one of the vrittidars in pursuance of the Government orders, and the fact that one of the conditions of the grant of the Inam was the maintenance of a rahmin Agrahar on the banks of the river Kaveri at paschimavahini, and that a concession had already been shown to the vrittidars by permitting them to build Agrahar houses at geringapatam instead of at paschimavahini the Government decided that it was undesirable to disturb the orders already passed on the subject, and that the petitioners should therefore be informed that the previous orders in regard to the reconstruction of an Agrahar in geringapatam could not be reconsidered.

21. The Deputy Commissioner's attention was also invited to para 3 of the Government proceedings No. 745-6/ vz. P. 51-94 dated 17c 17th August 1904 and he was requested to re-

port whether as directed therein the vrittis-
dars had been given a final chance with one
year's time and, if so, whether any of them
who had previously shown no inclination to
build Agrahar houses at Gerinapatam, had
come forward to take up sites and build
houses thereon and in what stage the matter
stood.

22 In December 1910 urma Subbannachar
and others again petitioned the Government
praying for the restoration of the vritties
and the disbursement of the amounts due to
them under the decrees of the civil courts.
On this Mr. A. Suromanya Iyer, (the then
Deputy Under Secretary) submitted an elabor-
ate and exhaustive note arguing that the
contention of the petitioners that they
were not bound to construct Agrahar houses
must be upheld and that the Inam settle-
ment could be conveniently revised and the
Agrahar vritties settled as personal and
enfranchised. The then first councillor
(Mr. H. V. Manjundaiah) supported the
above view ^{adding} that it was impossible to en-
force the conditions about the building of
Agrahar houses and living there. The
Inam Superintendent was unofficially con-
sulted on the question of revising the
Inam settlement and ^{he} said that the settle-
ment already made must be adhered to as
being in accordance
with the orders that any modification in
the settlement would be in contravention
of His Highness's wishes, and that he saw
no reason to reconsider the orders already
passed. The Dewan in submitting the case
for the gracious orders of His Highness

His Highness the Maharaja expressed it as his opinion that the order of the 2nd December 1894 confirmed by the order of 24th July 1906 must stand. His Highness, having expressed his concurrence with the view of the case taken by the Dewan and endorsement was issued to Kurma Subbannachar (No. 2081 dated the 17th May 1913) intimating that the matter could not be reconsidered.

The Present Case.

23 This relates to the claim preferred on behalf of one Sumati Anantachar a ~~minor~~ minor vrittidar so far back as March 1910 for payment of the arrears of vritti amount on the ground that he had constructed a house in the site allotted to him at Seringapatam. On enquiry it was found that the house had not been occupied as Anantachar himself was a student in the Sanskrit College and there was ~~also~~ some difficulty in ^{arranging} ~~acquiring~~ for the house being occupied by others because there were no houses round about and water convenience was wanting. The Deputy Commissioner's opinion was then called for whether some relaxation of the strict condition of actual habitation was not called for particularly as the refusal to pay the arrears due would tend to discourage others from building. In reply the Deputy Commissioner reported that the condition of actual habitation might be relaxed.

on 23rd July 1919, Mr. G. Aravamudu Iyengar has noted as hereunder:--

para 22 of Note Hg T.

" The only point for consideration is ~~whether~~ whether actual residence of the vrittidars in the Agrahar houses is an essential condition entitling them to enjoy the vrittis. This is not a necessary incident in the case of all Agrahar grants, ^{when} Only ~~then~~ there is an express mention of the condition, the term should be strictly enforced (vide pages. 620 and 626 Rev. Manual) The original sannad of His ^{late} Highness does not include this condition on this point please see Mr. Nanjundaya's note under date 20th July 1911. ~~(in this the~~ Third Member has recorded a minute under date 6th August 1919 observing:—

paras 24-33 of Note
Hlg. L. 25/ on the the

1. that it should be an essential condition for the continuance of the vrittis that they should be owned by Brahmins and the Agrahar houses also occupied by Brahmins;

2. that as an undertaking has already been given by Government in their order dated 17th August 1905 that the arrears of vritti would be paid to such of them as build house on the site selected for the new Agraharam within a period of one year, we may restrict the payment of the full amount of the vritti only to those who completed the construction of their houses within three (or even five) years from the date of the order;

3. that in the case of others the amount may as penalty be reduced by 25 per cent and that all the remaining vrittidars who have not built their houses may be informed that the vrittis will be finally resumed to Government and that no arrears will be paid

if they do not complete the construction of their houses by the end of December 1920;

4. That in regard to the villages themselves one of the following courses suggested by Mr. A. Subramany Iyer as Muzrai Superintendent in his note dated 30th March 1911 may be adopted: —

(a) ~~to~~ resume both the villages to Government and commute the Vrittis into cash payments ^{at} on suitable conditions;

(b) ~~to~~ assign one of the villages as Agrahar Imam among the Agrahar vrittidadars and reserve the other to Government with money grants for the support of the ^{temple} ~~temple~~ and the Chattram or

(c) ~~to~~ assign both the villages to the vrittidadars and recover from them as jodi the ~~pr~~ proportionate share for the Chattram and the ~~tem~~ temple and assign it as a cash grant for these institutions;

(d) Enfranchise the Agrahar vrittis (if the vrittidadars agree to it) by converting it into hereditary cash grant or otherwise, commute the temple and Chattram vrittis into money grants and take over the villages under Government management.

26 The Member has invited further views in the matter.

27 The vrittidadars having been summoned & them have appeared and given statements as hereunder:--

Sumati Anantachar and Jekshminarasimha Chari state that they have already built houses and they pray that the balance of the vritti amount due from the year 1894 may be paid to them after deducting Rs. 509 and odd and Rs. 900 respectively paid to them already. This request

deserves favourable consideration.

A. Narasimhaiya, requests the payment of the amount due to him from 1894 deducting RS. 500 already paid him for house construction. He ~~says~~ states that he has not built a house as no site was allotted to him and there was no order to that effect. His contention is untenable.

Kurma Gubbannachar and others simply repeat their old request for the payment of vritti amounts due from the year 1886 under decrees already obtained by them in civil courts. This request has been considered and rejected more than once and ~~these~~ these persons can not be allowed to re-open the question until at least they have built houses on the sites marked for them.

28/ AS regards the future management of the villages and payment of vritties Anantachar wants his vritti to be handed over to him.

Lakshminarasimhachar says that the villages may be managed by Government and he wants only that the proportionate amount due for his vritti to be paid to him annually.

A. Narasimhaiya states that either the villages may be apportioned among ~~the~~ the vrittidars but without giving the privilege of kadim tenants to the ryots or that the villages may continue under Government management and the proportionate vritti amount ~~not~~ given to him annually.

Kurma Gubbannachar and others want the two villages to be handed over

to the vrittidars, the proportionate amount due to the temples and the Chattram being recovered from them as Jodi and paid to the Institutions concerned.

29 It will thus be seen that the vrittidars are not all agreed as to the future management of the villages. But having regard to the circumstances of the case in all its aspects I think that the best course will be to adopt the first of the four alternatives proposed in the Member's minute of 6th August viz., to resume both the villages to Government and commute the vrittis into cash payment on suitable conditions.

30 This has been practically done in the case of the temple and the chattram to which fixed cash grants have been assigned by the Government in the order dated 11th August 1904. Similar sums may now be fixed for payment, in future, to the vrittidars who have already built houses in the Arahur sites and also to such of them who on building hereafter may be considered deserving of the continuance of the vritties. To assign vritties in land under present conditions will be highly inconvenient. Even prior to 1886 when the villages were under the management of the donor's representative the vrittidars admittedly received their dues only in the shape of cash payments out of the income of the villages. They ^{had} not ~~only~~ at any time been given possession and enjoyment of defined vritti shares in the village lands. It was perhaps on this account that at the Inam settlement too the Superintendent refused to heed the prayer of the vrittidars for the insertion of their names in the title deed.

31 The commutation of the vritti into suitable cash payments will thus be consistent alike

~~the~~ ~~past~~ holding of the villager and also with the order passed in July 1894 wherein it is directed that the villages should on re-
sumption be surveyed and settled as govern-
ment villages. The amount of the cash allowance payable to each of the vrittidars may be separately determined on the merits of the claim of each with reference to the income derived from the villages in the past

By Order,

Private Secretary

TO

*His Highness
The Maharaja of Mysore*

The humble petition of Venkata Doss,
residing at 91, Perumal Mudali Street,
George Town, M A D R A S.

The Petitioner above-named most humbly begs to state that he is the lineal descendant of Nowl Kishore Doss to whom His late Highness Maharaja Krishna Raj Wadiar of Mysore granted under a Sanad about a century ago the Inam Villages of Thurenganoor and Basavanahulli in the Taluq of Pattann, Ashtagram, a garden in Pachimavahani in the Mysore Ashtagram Taluq and also an Agraharam for Brahmins at Pachimavahani to be held and enjoyed by the said Nowl Kishore Doss and his heirs from generation to generation according to the above S A N A D.

The said Nowl Kishore Doss was in enjoyment of the above properties under the Sanad during his life time and on his death his son Jugal Kishore Doss succeeded to the same. On the death of the latter the properties passed to his son Krishna Doss and on whose death his daughter Parvathiboyee succeeded to the same. As she was a minor at that time her paternal grand-mother Poolabai got into possession of the properties to recover which the said Parvathiboyee after she attained her majority instituted Original Suit NO. 3 of 1869 in the Court of the Superintendent Of Ashtagram Division against the said Poolaboyee and was placed in possession of the properties under the decree passed in the above suit. The said Parvathiboyee continued to be in enjoyment of the above properties till her death about twenty-five years back.

The petitioner is the son of Parvathiboyee and is legally entitled to hold the above properties under the S A N A D by right of succession. About twenty days after the death of Parvathiboyee

however, the above properties were taken possession of by the Inam Commissioner on behalf of the Government of Mysore in whose possession they still continue though the petitioner is legally entitled to the same under the S A N A D mentioned above. The Government is not utilising the properties for any of the various charitable purposes mentioned in the S A N A D . The petitioner is willing to administer the charities for which the Inam Sanad was originally issued and therefore most humbly prays that the above may be placed in his possession to be held and enjoyed for the purposes mentioned in the S A N A D referred to above for which act of grace the petitioner will be ever grateful.

The Maharaja of Mysore.

The humble petition of Venkata Doss,
residing at 91 Perumal Mudali Street,
George Town, M A D R A S.

The Petitioner above-named most humbly begs to state that he is the lineal descendant of Nowl Kishore Doss to whom His late Highness Maharaja Krishna Raj Wadkar of Mysore granted under a Sanad about a century ago the Inam Villages of Thurenganoor and Basavanahalli in the Taluq of Pattana, Ashtagram, a garden in Pachimavahani in the Mysore Ashtagram Taluq and also an Agraharam for Brahmins at Pachimavahani to be held and enjoyed by the said Nowl Kishore Doss and his heirs from generation to generation according to the above S A N A D.

The said Nowl Kishore Doss was in enjoyment of the above properties under the Sanad during his life time and on his death his son Jugal Kishore Doss succeeded to the same. On the death of the latter the properties passed to his son Krishna Doss and on whose death his daughter Parvathiboyce succeeded to the same. As she was a minor at that time her paternal grand-mother Poolabai got into possession of the properties to recover which the said Parvathiboyce after she attained her majority instituted Original Suit NO. 362 of 1869 in the Court of the Superintendent Of Ashtagram Division against the said Poolaboyce and was placed in possession of the properties under the decree passed in the above suit. said Parvathiboyce continued to be in enjoyment of the above properties till her death about twenty-five years back.

The petitioner is the son of Parvathiboyce and is leg-
ontitled to hold the above properties under the S A N A D by right
of succession. About twenty years after the death of Parvathiboyce

however, the above properties were taken possession of by the Inam Commissioner on behalf of the Government of Mysore in whose possession they still continue though the petitioner is legally entitled to the same under the S A N A D mentioned above. The Government is not utilising the properties for any of the various charitable purposes mentioned in the S A N A D. The petitioner is willing to administer the charities for which the Inam Sanad was originally issued and therefore most humbly prays that the above may be placed in his possession to be held and enjoyed for the purposes mentioned in the S A N A D referred to above for which act of grace the petitioner will be ever grateful.

and personal perusal of the previous

the Institutions and their lands should

to the Amildar of the Springpatam Taluk in view to the money being applied for the benefit of the Charities. An order notifying such assumption was accordingly published for the information of all concerned. On proceeding to try to settle the revenue affairs of the Taluk the Amildar experienced at the outset some difficulty in collecting the dues from the raiots as the Manager's copy of the previously attached the writ for the due by the Manager to the raiots and had appointed a Receiver for the management of the villages. The Deputy Commissioner thereupon reported the foregoing circumstances to Government and sought orders on the subject of the liability of the said villages to attachment by Civil Courts in satisfaction of the Manager's personal debt. Based on in July 1889, the Deputy Commissioner addressed a report to Government, submitting copies of the attached and is requested by the Civil Court in deciding the matter and a decision as to the liability of the said villages to such attachment. The court was at the same time the Deputy Commissioner was instructed by Government to order. The Amildar was directed to make arrangements for the collection of the dues and some collection from two villages which had with the former in 1887-88.

In December 1889, Kurma Subbanna, one of the Agrahar vrittidars petitioned the Deputy Commissioner submitting copies of Civil Court Decrees obtained by him and certain other vrittidars in respect of the writti allowances due for the years Tharunna, Parthiva and Vyagga, praying for the payment of the decreed amounts out of the revenues of the Idam villages collected by Government Agents. The Deputy Commissioner (Mr. Leake) submitted the petition and its enclosure to Government for orders, observing in his opinion, that the amount recovered by Government since 1886 and held in Idam should first be utilized for repairing the Chattram and meeting the cost of the maintenance of laja services in the temples, and that any balance remaining after meeting the above expenditure might be ~~distributed~~ distributed to the vrittidars according to the Decree and in the proportion of the annual grant.

In November 1893 a petition was received by Government from the Madras Department complaining that the Chattrams established by Nannan and the Idams had fallen into decay and that the proceeds of the Idam villages ended there or were being applied for the purposes of other Institutions. The Deputy Commissioner to whom the petition was referred reported that the Institutions were all in a poor state of condition, and that the property of the founder or his successors was

might be maintained from their pro-

The Government thereupon passed an
order No. 963-6/G. 199 dated 16th July
1894, directing ~~that~~ the Deputy Commis-
sioner to assume possession of the
villages and to apply to the Superinten-
dent of the Revenue Survey for the
introduction of Survey and Settlement
into them as Government villages. In
this order ~~the~~ Government added that it
was not ~~the~~ wish of ~~Government~~ to allow
Charities or some local usefulness to
be utterly abolished and that they would
be willing to make a reasonable grant
from the general revenues of the State
to the Muzrai Department for the resto-
ration and maintenance of the Chatra
and temple as Government Muzrai Insti-
tutions.

File I. 718.
Sometime after this order was passed
the vrittidars complained to the Dewan
of the resumption of their writties;
and in reply they were told that the
resumption was just and proper and
must continue in full force and effect
and that the Government however would
consider favourably the question of
restoring to them the writtis or to

equivalents, after they build ~~their~~ ^{their} Agrahar houses in a locality approved by the Deputy Commissioner and otherwise conform to the conditions of the original grant. The vrittidars ~~man~~ were also directed to apply to the Deputy Commissioner for the selection of a suitable site for their Agrahar which, ^{wherever} ~~however~~ built should be known after the original donor.

Government Order to this effect was passed in Proceedings No. 9048-9/R.1369 dated 2nd December 1894, and communicated to the Deputy Commissioner, Mysore District.

The Inam villages were thereupon resumed to Government with effect from the year Jaya (1894-5).

The Deputy Commissioner was instructed to allot sites to the vrittidars at Springapatam for the construction of a New Agrahar. But when the Deputy Commissioner proceeded to ~~allot the sites~~ ^{do so}, none ~~of them~~ showed a desire to build. On this being reported to Government an order ~~was passed~~ ^{was passed} No. 500/Luzrai I.31-94 dated 5th October 1896, requesting the Deputy Commissioner to prepare a plan of the sites newly allotted to the several ~~existing~~ vrittidars and serve ~~the same~~ on them ^{with} a notice requiring them to take charge of their respective sites and commence building thereon within a ~~limited~~ ^{limited} time, and informing them of the ~~same~~ ^{same}.

It was however reported that none of the vrittidars including ~~in~~ some of those who received a portion of the vritti amount in pursuance of the above order ~~could~~ build houses.. ~~On this~~ the following order was passed in Pro. No. 745-6/Muz.F.No. 31-94 dated 17th August 1904.

"3. The personal vrittidars, who are reported to have shown no inclination till now to build the ~~Agrahar~~ houses on the sites already selected by the Deputy Commissioner at Seringapatam, must be given a final chance with one year's time to carry out the conditions offered to them in the order of December 1894 and distinctly warned that the promise they made will be finally withdrawn and cancelled after the expiry of this period. The arrears of the vritti allowance from 1883 to 1894 are to be utilized in giving to such of the vrittidars as show an inclination to build houses and live in the Agrahara, a suitable advance for such construction on their giving proper and adequate security. The Deputy Commissioner is requested to see and perform the conditions of the grant within one year of such advance being made. The houses should be built in accordance with the approved plan and in a suitable and healthy locality."

In March 1906 Kurma Subbannachar one of the vrittidars submitted a memorial praying among other matters ~~that~~ the Government Order relating to the resumption of the villages ~~being~~ ~~cancelled~~. On this point, two of the petitioners, viz., Kurma Subbannachar and Subba Krishna Rao, who represented the other contending Vrittidars also, were heard. *They contended* ~~Their contention was~~ that they ~~are~~ *were* not bound to build Agrahar houses anywhere because the grant of Vrittis to them by the founder of the Agrahar in 1832 did not impose any such condition on them. *and they thought* ~~In this view they~~ *had* ~~prayed~~ that the Government Order of the 2nd December 1894 be *therefore* cancelled and that the Sarvamanya villages ~~be~~ restored to the vrittidars unconditionally. *decided* ~~the~~ Government ~~found~~ that this contention was untenable ~~as~~ *holding that* the chief condition of the grant of the villages in 1820 by His Highness the late Maharaja Krishnaraja Wodeyar Bahadur III to Maharaja Lowl Krishna Das Saib, was

The sketches are hand-drawn in pencil. The house sketch on the left shows a simple rectangular structure with a chimney on the right side and a small porch or entrance on the left. The car sketch on the right is a side profile of a vehicle, showing the wheels, windows, and a roofline. Both sketches are simple and illustrative, typical of a preliminary architectural drawing.

On this point please see Mr. L. J. M.
daiya's note under date 20th July 1917
on this the Third Member has recorded
a Minute under date 6th August 1919
laying down:-

1. that it should be a condition
for the continuance of the
writings that they should be made by
Brahmins and the Agrahar houses should be
occupied by Brahmins.

2. that as regards the grant of
land given by Government in which order
dated 17th August 1905 that the
of writings will be paid as such after
of the Agrahar houses the site allotted for
the Agrahar houses with a period of
or more, and that the payment
of the full amount of the writings
to those who completed the construction
of the houses within three (or even
five) years from the date of the order.

3. that in the case of others the
amount of the writings is reduced to
25 per cent and that all the remaining
writings should be paid within
houses may be informed that the
will be finally reduced to 25 per cent
and that no arrears will be paid to
them if they do not complete the
construction of their houses by
the end of 1920.

4. ~~that~~ *that* regard to the colleges to
one of the following courses
by Mr. M. L. M. L. M. L. M.
but which it is not possible to

March 1911 may be adopted.

() To resume both the villages to Government and commute the vrittis into cash payments on suitable conditions.

(b) To assign one of the villages or Agrabar Inam among the Agrabar vrittiddars and recover the other to Government with money grants for the support of the temple and the chattram or

(c) To assign both the villages to the vrittiddars and recover from them a Jodi the proportionate share for the Chattram and the temple and assign it as a cash grant for these institutions.

(d) Lafranchise the Agrabar vrittis (if the vrittiddars agreed to it) or converting it into hereditary cash grant or otherwise, commute the temple and Chattram vrittis into money grants and take over the villages under Government management.

The Member has invited further views in the matter.

He V.

8 of them have appeared.

and stated as follows

Statements as hereunder:

The vrittiddars having been summoned ~~to state their case~~ Sumati Khandekar and Lakshminarasimhaiah ~~the~~ *State that they* have already built houses ~~and they~~ that the balance of the vritti amount due from the year 1901 may be paid to them after deducting

Rs.309 and odd and Rs.900 respectively paid to them already. *The vrittiddars*

present as follows:

Sumati Khandekar, requests the Government to pay the amount due to him from 1901

deducting Rs.500 already paid to him for house construction. *He states*

~~known whether he has built his house or not.~~

Simply repeat their old request.
Kurma Subbannachar and others ~~urge~~ for the payment of writti amount due from the year 1886 under decrees already obtained by them in Civil Courts. ~~These have not built houses, and they refuse to do so.~~

This request has been considered & repeated more than once and the persons can not be allowed to re-open the question until @ least they have built their houses in the sites marked for them

~~In view of the Government Orders already passed, the claim of Sunati Anantachar and Lakshminarasimhaachar for payment of arrears to them deserves favourable consideration.~~

~~Lakshminahar states that he has not built a house as no site was allotted to him and there was no order to that effect. His contention, is untenable.~~

Management
as regards the future ~~management of~~ ~~and payment of~~ ~~writti amount~~ ~~Anantachar~~ wants his writti to be handed over to him.

Lakshminarasimhaachar says that the villagers may be annoyed by Government and he wants only that the proportionate amount due for his writti to be paid to him annually.

A. Narasimhaia states that either the villages may be proportioned among the writtidars ~~consistently with the objects of the scheme~~ but not giving the privilege of Madam to

not @ any time been put in
 had at no time any possession ~~as~~ and
 enjoyment of defined vritti shares
 in the village lands. It was perhaps
 on this account that at the Inam
 Settlement ^{too} the Superintendent refused
 to heed the prayer of the vrittidars
 for the insertion of their names in
 the title deed.

The grant commutation of the
 vritti into suitable cash payments will
 thus be consistent ^{also.} with the past ^{holding} and
~~also be ordered taking down in the~~

 is directed that the villages should on

MUZRM

No 1881

Sir,

I the undersigned by name Sumati Hantha

Char a resident of Seethapathi Agrahar Chamarajpett
respectfully beg permission to submit the following lines
for your kind Consideration and favourable orders.

I beg to state that, in my Review
petition dated 31-10-22 to the First Member of Council,
to the Government of His Highness the Maharaja of Mysore,
I have stated that I, the Vritti holder of nevala
Krishna Sait Agrahar, Smeerangapatam, have, in
accordance with the Government orders, got constructed a
house within the required period and as such pray for
the refund of the balance arrears of money of my Vritti
as well as the restoration of my Vritti lands. I beg to state
also that, in spite of my repeated petitions since then,
no definite orders have been passed on the point.

Last year I received an endorsement from the
Muzrai Commissioner, stating that, all the records connected
with my Case have been forwarded to the Government.
On enquiring in the Taluk Office, I came to know the
same fact.

My humble request now, is that, as there
are many important facts connected with the Case, which
cannot be committed to the paper and require to be
mentioned only in person, I may be given a hearing
and the date be informed to me before the Case is finally
disposed off. My request for this favour is earnestly
urged as I fear that, if the Case is settled without

M.
17

without giving me the required opportunity it would
be unfavorably settled as has already happened

Therefore, praying once again for
grant of a hearing, the refunding of my Vriti
amounts and the restoration of my Vriti lands,

I beg to remain,
Sir,

Your most obedient servant,

"With reference to your letter No.C.334/22-23 dated 10/12th November 1923, I have the honor to state that Sumati Ananta Char is reported to have built the house in the Howl Arishna Moss Sait's Arahah at Seringapatam about October 1905 and that the Municipal tax was first levied on this house in the year 1906-7 (Parabhava) as already stated this office letter No.C.391/22-23 dated 15/16th October 1923.

As regards Sahasranamada Lakshmi Parasimma Char, it is reported by reference to the Taluk Municipal records, that he first obtained a licence on 30-1-1905 from the Vice President of the --- Seringapatam taluk Municipality for constructing the house, and as it could not be constructed then owing to some inconvenience he is said to have obtained a fresh license for the second time on 13-9-19 and constructed the house afterwards. It is already reported that municipal tax on this house was levied for the first time during the year 1916-17. From these facts, it is clear that the house of S. Letter No. Ref. G.C. 391/22-23 dated 16th October 1923 from the Deputy Commissioner, Mysore District, to the Muzrai Commissioner in Mysore, Camp:- Mysore

"With reference to your D.O. letter No. C. 834/22-23 dated 12th October 1923 calling for a report as to when Sumati Anantachar and Vrittidar Sahasranamada Laxminarasimhachar built houses in Nowl Krishna Doss Sait's Agrahar at Seringapatam and when for the first year, Municipal tax was levied on these houses etc., referred to in the Revenue Secretary's letter No. 1912/Muz. 264-22-2 dated 18th December 1922, I have the honor to state that from the report received from the Amildar in July last it is seen that Sumati Anantachar had built the house by about October 1905 and that Municipal tax was first levied on this house in the year 1906-07 (Parabnava).

2. The Amildar further reports that on enquiry made of Sahasranam Lakshmi Narasimhachar it is ascertained that the said individual (S. Lakshmi Narasimhachar) applied for a license to build the house in January 1905, and built the house, that as this house became dilapidated owing to its ~~not~~th having been occupied, it was repaired during 1915-16 after obtaining a license and that the house is under occupation by Lakshminarasimhachar since then. The Municipal tax on this house is said to have been levied for the first time during 1916-17.

3. As the Amildar's report was not express as to whether these houses were constructed exactly within the period of one year stipulated in the Government Order of 17th August 1904, he has been asked to submit definite information on the point. A further report on this point, if necessary, will be submitted, after hearing from the Amildar and by a reference to the connected file of old papers on the subject available in this office.

I regret the delay allowed in this office in furnishing the report called for.

Sumati Anantachar's petition dated 24th October 1922 received with the Revenue Secretary's letter under reference is retransmitted herewith".

The village lands were ~~no~~ divided into separate and allotted to the ~~several~~ Vaitthidars, on the one hand, the management of the villages was retained by the ~~Landholder~~ as manager of the Charities, and the net-revenues realized year by year were divided amongst the several Vaitthidars in proportion to their respective shares.

3. Matters went on smoothly for several years till about the year 1865 when a friction arose between the manager and the Agasharikas owing to the latter not receiving their Vaitthi allowances regularly and some of the Agasharikas

Civil Courts for the recovery
of their Vritti allowances.

4. While the parties were
thus contending in Civil
Courts, the Income settlement
took place in 1880. During
the enquiry, the Income Assistant
observed that the Agrahar
was in a miserable state; that
it was obligatory on the
part of the Vritthidars to reside
in the Agrahar and maintain
it in good condition and
that such of the Vritthidars
as failed to take up their
residence permanently in the
Agrahar should forfeit
their Vritti grants. He
accordingly proposed a re-
distribution of the Vritties
to the exclusion of certain
Agrahars

Agreahar Vritthidars, who
 had not taken up or agreed
 to take up their residence
 permanently at the Agreahar.
 The proposals were first-
 accepted by the Dune-Supt
 but subsequently, when
 the Chief Commr having
 decided that residence at
 the Agreahar was not always
 a necessary condition of
 Agreahar grants. The
 Vritthidars at the same
 time petitioned the Dune
 Supt complaining against
 the proposals of the Dune
 Assistant and praying that
 the names of all the 12
 Agreaharishas might be
 entered in the Title-Deed,
 but the Dune-

would not be entered in
the Title-Deed. The villages
were finally registered as
(a)
Devadaya grant, to be
held by "the manager for
the time being" of the Charities
established by Nand Krishna
Dass.

5. In 1885 the Sub-Div. Officer
of French Rocks found the
Dastars all in neglected condition
and after enquiry and perusal
of the previous records,
(b)
passed an order directing
that the Dastars and their
endowments should be taken
over under the direct management
of the Amildar. The order
was accepted by the Dy. Commr
who instructed the Amildar

An Ishtar notifying such
assumption was accordingly
published on the 8th Dec. 1886
for the information of all
concerned. On proceeding
however, to settle the revenue
affairs of the villages, the
Amildar experienced at
the outset some difficulty
in collecting the rents from
the ryots as the Munsiff's
Court had previously attached
the villages for debts due
by the managers to the Vethidars
and had appointed

Govt- and sought orders
on the subject of the liability
of the Zamindari Villages to attachment
by Civil Courts in satisfaction
of the manager's personal
debts. Later on in July 1889,

The Dy Commr addressed
another report to Govt- submitting
copies of the attachment
order issued to his office
by the Civil Court- and soliciting
early decision of the question.

The Court was at the same
time written to by the Dy Commr
intimating that the matter
had been reported to Govt-
for orders. The Amildar

also directed to make

arrangements for the regular
 Jambhaz and revenue
 collection of the two villages
 which ~~had~~ he did with effect
 from the year Sawajit
 (1887-8).

6. In December 1889,
 Karna Subharnachar, one
 of the Agrahardar Vithaldas
 petitioned the Dy. Commr^r
 submitting copies of Civil
 Court Decrees obtained
 by him and certain other
 Vithaldas in respect of
 the Vritti allowances
 due for the years Tarava,
Parthiva & Vzaya, and
 praying for the payment
 of the decreed amounts
 out of the revenues of the
 Inam villages collected

The Dy Commr (Mr Micholjohn)
submitted the petition and
its enclosures to Government
for orders, observing, as
his opinion, that the amount
received by Govt since
1886 and held in deposit
should first be utilized
for repairing the Chattram
and meeting the cost of
the maintenance of Praja
Services in the Temples, and
that any balance remaining
after meeting the above
Expenditure might be rateably
distributed to the Vaidikars
according to the Decree
and in the proportion of
the Grant.

7. In April 1892, the
Dy Commr (Mr Rangaswami Sanyal)

at the instance of the
Sub-De Officer of French

Amildar of G. Narasimha

due on the 2000 villages of
Sungar and Basam

of their management, by

in respect of the distribution

the Vithidars. According

Of the foregoing amount,

the Amildar disallowed

disallowed Rs 1488-2-0 the interest shown in item (2) as an unreasonable claim, and recommended the disbursement of the balance amounting to Rs 6976-4-1. On this the Dy. Commr passed an order no 645 dated 14th November 1892 directing that the amount then in deposit should be distributed equally amongst the 18 Vettihs (whether decree holders or no) but that as the decree holders had been compelled to resort to civil court owing to the negligence of the manager the latter's share of the Vetti allowance should be distributed amongst the decree holders

to compensate them for
Court costs. The Amildar
of Srirangapatam thereupon
proceeded to disburse
the amount to the several
Vaitthidars in ~~and~~ accordance
with the Dy. Commr's order.

8. One of the Vaitthidars
who has received payment
was Subashanama Lakshmi
Narasimhachar. On this,
Kusuma Subbannachar
and the other decree-holders
petitioned the Dy. Commr
stating that the Vaitthies
of Lakshmi Narasimhachar
and of two others (Alur
Devara Pshatta and Kufuni
Krishnasastri) had been
resumed at the same settlement
and protesting against the
payment of any money to

them

them out of the revenues of the
 Inam Villages. On receipt
 of his petition, the Dy Commr
 passed a further order on
 806 dated 17th January 1891
 directing that the allowance
 of the 3 resumed Vettis
 should along with the
 Maddika (manager)
 Vetti, be divided among
 the Decree-holders in ad-
 -just of Court costs in-
 -curred by the latter. The
 money paid to Lakshmi
 Narasimhaiah was here-
 upon taken back.

9. In November 1893,
 a petition was received
 by Government in the Mysore
 Department complaining

by Govd Krishna Dass had
fallen into decay and
that the proceeds of the Duan
villages endowed thereto
were not being applied to
for the purposes of the Dasths -

The Dy Commr, to whom the
petn was referred, ^(g) reported
that the Dasths were all in
dilapidated condition and
that the representative of the
founder was for resigning
the management of the Dasths
in the hands of Government.

The Duan Rags pertaining
to the grant was thereupon
called for and after
a perusal of the records,
the Govt. in the General Dept.
^(h) directed that the Duan
villages should be resumed

totally failed, and observed
that a reasonable grant
from the general revenues
of the State ^{would} ~~will~~ be assigned
for the restoration and
maintenance of the Chattras
and the Temples as Govt-
Muzrai Dastur.

10. The Zamam villages
were thereupon resumed to
Govt with effect from the
Zam Zam (1894-5).

11. In December 1894, the
Ajmalgar Vaidikars
complained to the Dewan
against the resumption of
their Vaidiks as above.
On this the Govt ^{in the Revenue Dept} issued an
order no 9048-9 dated

 considered after the latter

 in a locality approved by the
 Dy Commr and otherwise
 conform to the conditions
 of the grant. The Aggarwalas
 are accordingly directed
 to apply to the Dy Commr for
 a suitable site for the
 Aggarwal -

2. In the meanwhile Shri
 Narasimha Pasha and
 Sahasranama Lakshmi
 Narasimhaachar petitioned
 Govt. praying for the disbursement -

of the Vritti allowances
due for previous years.

(1) Nos 307 & 367 dated 18th Aug & 18th Sept 1894
(2) These papers were referred
to the Dy Commr for report
as to

(1) whether the Vritti amounts
claimed were due in 1894
at the Taluk Treasury,

(2) ^{whether} ~~if~~ there was any
obligation to the petitioners
being paid the arrears
due to them for the years
previous to the date of the
resumption of the same
villages as directed in the
govt order of the 16th July 1894

would be due to each of
the petitioners In reply,
the Dy Commr, Mr A Ramu

that a sum of Rs 365-14-10

As regards the final report

the Dy Commr stated that
the same would be subd

to the contributors concerned.

The referred bill for Rs

received from the Dy
Commr on the 1st Dec.

I find that no action
was taken on this Commu-
-nication.

This is so far as the
previous history is concerned -

In September 1902,
Anaswami Ramanujengar,
Archak of the Sri Pattabhi-
ramaswami Temple submitted
a petition to His Highness
the Maharaja praying for
the payment of the arrears
of the Vaithe annent subsequent
to 1894. This petition was
forwarded to this Office
in the Private Secretary's Office.

No 119 dated 4th September 1902,
with the observation that -

His Highness would be
"glad" to know if final
orders have been passed
and

"and if so 1st... effect"
 "has been given to them."

In forwarding the
 petition to the Dy Commr, it
 was enquired with reference
 to the previous orders on the
 subject (i) as to whether
 the sites had been made
 over to the Vithikars for
 building Agarbans at
 Sureswarghatam (ii) whether
 the three Vithikars Lakshmi
 Narasimhaiah, Shri
 Narasimha Bhatta and
 Srinivasa Murthi had also
 been allotted sites (iii)
 whether the amounts due

 had been paid in the Sundry

 Vithikars had all been
 paid the sum of money due

amount paid to each of the
ritthars as approved and
established their claim -

The Dy Commr's proposals were also called for in respect of a grant promised by Govt in the General Department in their No of July 1894.

In his letter no 128
dated 4th December
H. 1902

With reference to the above, the Dy Commr reported that steps had been taken to get the original Sumat granted by Govt Krishna Das to the Vettidars and that an authenticated copy of the Sumat granted by His Highness the Maharaja to Govt Krishna Das would be forwarded along with the

He also reported that the

above the Dy Commr was

There are two questions
in connection with this case -

(1) Sanctioning the refund
bill for Rs 4411 - 10 - 0 being
the arrears due to the Vritti-

dars from 1886 to 1894,
the disbursement of which
has already been sanctioned
in G. O's No 731-2 and 731-9
dated 16th Feb 1895 and
No 797-8 Mys 731-94 d/
25th Dec 1898 on condition
of their using the money
for building aghar houses
on the site allotted to them
at Periyakalam. None of the
Vrittidars including some
of those who have already
received a portion of
the Vritti amount have
cared to build houses.
The full amount as per
present refund bill need

not be disbursed, although
the bill may be sanctioned,
and, they are the Vetti-
-dars, are earnest in
conformance to the conditions,
imposed on them

(4) The same consideration
however, does not apply
to the temple, and Chattram
which are non-reported
like at purchase of land,
below.

1. See 1st temple	8	1	0
2. See 2nd temple	1	3	0
3. See 3rd temple	1	0	0
4. Chattram	1	0	0
5. See 5th temple	1	0	0

From a statement
furnished by the
of 2 Karapoor, it would
show that the accumulated
amount for each temple
from 1894 is Rs. 218 for the
first temple, Rs. 38 for the
second temple, Rs. 6 for the
third temple, Rs. 24 for the
fourth and fifth temples.
The temples are stated to
be in good condition and
no work is being performed

Annasawmy Rammaya
 who is Archak of the ~~temple~~^{temple} has been long clamouring
 for the disbursement of
 the allowance and even
 threatens to give up the
 worship. In G. O. No 963-6
 - 9199 dated 16th July 1894,
 it is stated that a reasonable
 grant would be made
 from the General revenues
 for the maintenance of
 these Charitable ~~institutions~~^{institutions}
 and I think that unless
 some assignment is made,
 the institutions will go
 uncared for. The full ^{average}
 Vritti amount as stated
 above may be assigned
 in ~~proportion~~^{proportion} to the institutions
 according to their respective
 incomes. If this proposal
 is approved, a draft will
 be submitted for approval
 for being issued from the
 financial branch.

The delay in this matter
 is really provoking -
 The personal Vrittis

a final chance
be left to bind or give up their
claim - Three months time may be
given - If they give proper security
money may be given & even that
~~the~~ it is utilized for the purpose of
Agrahar - To give effect to this order
the refund bill may be sanctioned
but the money must be held in de-
posit till it is utilized as above -

The three temples & Chattram
must be given their Vulture
money - and the performance
of the service must be improved properly -

The Chattram in Panchara-
Vahur must be built -
is said about the scheme to the
plan - I should like to know more
about it. A care taker must be
appointed.

Draft accy. 23/6/04

Two draft Orders are submitted
in which all the questions involved in
this correspondence have been dealt with.
One of the drafts, which has to issue from
the Financial Dept of the Govt, authorizes the
transfer

to the Dy Commr in the Muzrai Dept, of certain funds which are now credited to Land Revenue. The other draft which will issue from the Muzrai Dept gives instructions to the Dy Commr as to how he should make payments to the parties.

I am aware
I am no
much in
trouble
difficulty. Owing to the difficulty of the subject, there has been some delay in the submission of these drafts which I very much regret.

The Kurna Subbannaiah, in his
reference with the Private
Secretary's Memo No 90 dated the
6th July 1904, that Annasam Ramanayengar
on account of his bad conduct,
should not be given the sum of
money which he claims. He has
produced copies of certain old
Judgments of the Mysore Wansuppas
passed so far back as 1879.

As a matter of fact however,
Annasam Ramanayengar was
paid by Govt the amount due

from 1886 to 1894, and he is now
to get money for the subsequent
years under the orders now issuing.
It seems therefore unnecessary
to go behind the Govt orders [
and question the claim of
Lunnam Pancaupringar.
The petition may, in my humble
opinion, be rejected.

A list is attached showing
the Memoranda received from time

and the replies given.

I the undersigned by name Sumathi Ananthachar, one of
the Brahmin Vrithidars of Navalur Krishnadas ^{Saib} ~~Saib~~ Agrahar in
Seringapatam, respectfully beg to tender this humble petition
for your kind consideration and favourable orders.

The old dwelling houses in the Agrahar having collapsed
owing to the effects of damp due to the proximity of the Cauvery
river, the Government in their No.9048-9/R.1369 dated 2nd
December 1894 ordered temporary resumption of the Vrithi lands
granted to the Vrithidars and directed that the realizations
from the Vrithis be kept in deposit pending construction of
quarters by the Vrithidars on sites selected by the Deputy
Commissioner. On representation made by the Vrithidars to the
Deputy Commissioner and to the Muzari Superintendent, Govern-
ment ordered in their No.745-6/31-94 dated 17th August 1904
that the realization held in deposit might be refunded to such
of the Vrithidars as would construct suitable quarters on sites
selected by the Deputy Commissioner at Seringapatam.

Accordingly in 1905, I constructed a house on the site ~~allot~~
allotted to me by the Deputy Commissioner and in strict
accordance with the plan fixed by the Municipality in their
license No.4 dated 28-1-1905. During construction, Government
were pleased to refund to me on 16-11-1905 a sum of Rs.450.-

being the balance of my portion of the Vritti realizations kept in deposit till 1894 and on completion of the building a further payment of Rs.309-5-10 was also made to me on a measurement bill on 28-3-1910.

It is now 16 or 17 years since I constructed the house in accordance with the Government Orders, and on several representations having been made by me requesting that, as I have fulfilled all the conditions laid down by Government, the realizations from my Vritti lands held in deposit since 1894 onwards may kindly be ordered to be refunded after deducting a sum of Rs. 309-5-10 already paid to me, the Muzarai Superintendent gave me an endorsement in his No.3196/696-15-2 dated 12-3-21 that the arrears held in deposit could not be refunded as the building intended for the residential quarters of a Brahmin had been rented out to a School.

I respectfully submit that for some years the building was actually occupied by a Brahmin family who left it only five or six years ago. Since then, as it was rather difficult for some time to procure a Brahmin tenant for the house ^{owing to} ~~owing to~~ ~~the~~ ~~scarcity~~ ~~of~~ ~~water~~ ~~in~~ ~~the~~ ~~locality~~ ~~and~~ ~~the~~ ~~fear~~ ~~of~~ ~~insecurity~~ ~~of~~ ~~life~~ ~~and~~ ~~property~~ ~~due~~ ~~to~~ ~~the~~ ~~house~~ ~~being~~ ~~isolated~~ ~~and~~ ~~at~~ ~~a~~ ~~distance~~ ~~from~~ ~~the~~ ~~town~~ ~~and~~ ~~as~~ ~~the~~ ~~building~~ ~~also~~ ~~required~~ ~~some~~ ~~repairs~~ ~~I~~ ~~had~~ ~~to~~ ~~rent~~ ~~it~~ ~~out~~ ~~to~~ ~~a~~ ~~School~~ ~~only~~ ~~for~~ ~~two~~ ~~or~~ ~~three~~ ~~years~~ ~~and~~ ~~that~~ ~~,~~ ~~with~~ ~~the~~ ~~knowledge~~ ~~of~~ ~~the~~ ~~Muzarai~~ ~~Secretary~~ ~~.~~ ~~My~~ ~~sole~~ ~~object~~ ~~in~~ ~~renting~~ ~~it~~ ~~out~~ ~~was~~ ~~to~~ ~~utilize~~ ~~the~~ ~~rent~~ ~~for~~ ~~repairs~~ ~~to~~ ~~the~~ ~~building~~ ~~and~~ ~~not~~ ~~for~~ ~~my~~ ~~maintenance~~ ~~.~~ ~~With~~ ~~this~~ ~~object~~ ~~in~~ ~~view~~ ~~,~~ ~~I~~ ~~allowed~~ ~~the~~ ~~rent~~ ~~income~~ ~~to~~ ~~accrue~~ ~~and~~ ~~to~~ ~~remain~~ ~~as~~ ~~a~~ ~~reserve~~ ~~with~~ ~~the~~ ~~tenant~~ ~~school~~ ~~,~~ ~~and~~ ~~I~~ ~~have~~ ~~preserved~~ ~~evidence~~ ~~to~~ ~~show~~ ~~to~~ ~~the~~ ~~satisfaction~~ ~~of~~ ~~the~~ ~~Government~~ ~~that~~ ~~I~~ ~~have~~ ~~spent~~ ~~the~~ ~~rent~~ ~~exclusively~~ ~~on~~ ~~repairs~~ ~~to~~ ~~the~~ ~~extent~~ ~~of~~ ~~over~~ ~~Rs.100/-~~ ~~.~~ ~~I~~ ~~have~~ ~~kept~~ ~~the~~ ~~Muzarai~~ ~~Secretary~~ ~~duly~~ ~~in-~~ ~~formed~~ ~~of~~ ~~these~~ ~~facts~~ ~~throughout~~ ~~and~~ ~~I~~ ~~have~~ ~~also~~ ~~since~~ ~~given~~ ~~a~~ ~~written~~ ~~statement~~ ~~in~~ ~~the~~ ~~matter~~ ~~.~~

On receipt of the endorsement above referred to, I arranged to have the School shifted elsewhere, gave the house for the occupation of a Brahmin tenant, and then submitted an application to the Muzaraa Secretary on 26th October 1921 for the refund of the deposit amount, to which I received his endorsement No.697 Muz. 146-21-9 dated 11th August 1922 stating that as the orders passed by Government in G.O. No.3110-12 Muz. 696-15-11 dated 5th March 1921 were decisive, the application could not be reconsidered.

I beg to submit that the vrittidars of Konnanur are enjoying their Vrittis though they live in different places far away from their vrithis and it is my great misfortune that a similar concession should be denied to me. As it has not been possible for me till now to reside at the Agrahar owing to want of an independent means of livelihood, I am residing at Bangalore eking out livelihood by teaching students. If my vrithi lands with accumulated arrears are restored to me, I am even prepared to reside in the Agrahar myself. In conclusion I beg request that as I have fulfilled all the conditions imposed by Government in their orders read above, you will kindly order the refund of my portion of the amount held in deposit up to date from 1894 and also the restoration of my vrithi and thus enable a poor Brahmin to live peacefully and pray for the ever-increasing prosperity of His Highness the Maharaja of Mysore and his family and his Durbar.

Earnestly hoping my petition will receive due and benevolent consideration at your hands.

I beg to remain,
Sir,
His Highness and your most faithful
subject,

D. No. 4643
R. 16. 4. 24.

Henry Das 2124

To
The Second Member of Council
to the Government of His Highness
the Maharaja of Mysore,
Bangalore.

Sir,

16 *u*
I the undersigned Sumathi Ananthachar, Residing in Seethapathi Agrahar, New Tharugapet, Bangalore City beg to bring to your kind consideration the following facts.

I am one of the "Vrittidars" of the Seringapatam Navalu Krishna Das Sait Agraharam at Seringapatam.

In the above Agrahar at Seringapatam, the Government had given me a site behind the Srirangapatam Kannada School for building a house in a certain time. Consequently, I built a house on the site according to the Plan sanctioned by Government and in the time allowed by the Government. Although it is 19 years since the building was constructed, the amount due to me for my Vritti has not yet been paid to me.

On 31-10-1922 I gave you a Review Petition stating that I had built the house as per conditions and had prayed that the balance amount which is due to me be paid to me and also that the Vritti lands be given to my possession.

Although it is more than a year since I gave that Petition, no orders have been is-

to me till now. Besides this I have given Petitions to the same effect on 29-1-1923 and 22-9-1923 and I have also given a Petition to the Revenue Secretary to the Government on 22-12-1923. Although I have given so many Petitions as above stated I have received till no orders ~~xxxx~~ now.

As I have completed the construction of the house within the time allowed by the Government, I now humbly request you to kindly pass orders to the effect that the amount of my Vritti which is remaining till now unpaid be paid to me and also that the lands of my Vritti be given to my possession.

Hoping that you will pass orders at an early date,

I beg to remain,
SIR,
Your most obedient servant,

सुसनी उमेश नाथ

SIR,

In continuation of this office letter No. G.391/22-23 dated 22/25-11-24 re: the details of payment of vritti to Sumati Ananta Chetty and S. Lakshmi Narasimha Chetty from Nowl Krishna Doss Charities, I have the honor to state that the Sub Division Officer Nanjangud, reports his memo No. R.H.O. 236/24-5 dated 9-12-24 that consequent on the shifting of the Taluk Records at T. Narsipur in connection with the recent floods, they have all been mixed up and heaped together in a confused state, most of the Daftors having been brethren at the time, that records required cannot therefore be easily had for reference at once, that the Amildar requests some time to search for the papers after arranging the records and that he may be given time till 10th January 1925. In circumstances, stated, I have allowed the Amildar time till then and after receipt of the required report from the Sub Division Officer the information called for will be furnished.

I have the honour to be
Sir,

No further particulars to

lit. 5. had an Inland office. The Inland

submitted in 1905 & Narasipur
Taluk and no accounts of their
income and payments made to the
Vrittidas from time to time are
maintained in this Taluk. Except
some correspondence relating to the
construction of houses by Sumathi
Mamthadas and Lakshminarasim
and the payments made in that
connection no other records are further
in the Taluk office. The information
available here may be briefly stated
thus :-

(1) A sum of Rs 450/- was advanced
to Sumathi Mamthadas on 16-11-1905
for constructing a house at S. Palacem
and a further sum of Rs 309-5-10.
was paid on 7-4-1910 on the
presentation of a bill after the completion
of the building. There is evidence in
the municipal records to show that
Mamthadas has paid municipal tax

from the year 1906-07 and from
circumstances we may reasonably
infer that the house was constructed
within one year from the date of the
grant of the advance of Rs 450/-.
The building was at first reeked out to
a school and later on to one of the
anchors of the Sri Anganathiswami
Temple. Now it is vacant and
the doors have been closed and locked.

(2) As regards Lakshmi Narasimhaiah
there is a record in the Taluk office
which shows that sums of Rs 500
and Rs 400/- were advanced to him on
13-5-1915 and 28-3-1917 respectively
for constructing a house. He has completed
the building and is now reported to be
living in it.

~~As~~ This is all the information which
could gather in the Taluk office after
10 days search in the records. It
is now be clear that I am unable

Sir Sri Krishna Raja Wadiyar Bahadur
His Highness the Maharaja of Mysore.

May it please your Highness

This humble memorial from Shasranamada Lakshmi Narasimhachar of Seringapatam- One of the 12 Vrittidars of Naval Krishnadas Charities, Showeth-

1. That the memorialist has been driven to the necessity of appealing to your Highness, to do the justice, which has been denied to him by the Government and all other authorities.
2. That the justice sought for is in regard to the payment to him of his share of the Vritti amount since 1895 which is now denied to him contrary to the assurances - held out from time to time to the Memorialist is in no way responsible.
3. That begging your Highness' forbearance for the length of the petition the following are the facts of the case which will be entirely borne out by the records of the Government Secretariat (Mazarai) which may if necessary be kindly sent for and perused.
4. Your Highness' grand father the late H.S. Sri Krishnaraja Wadiyar Bahadur bestowed Two Inam villages in T. Narasipur Taluq on the late Naval Krishnadas Seth Of Seringapatam in 1820 for the purpose of building a Choultry, temple and an Agrahar and their maintenance at Seringapatam and the Inam was duly confirmed by the Inam Settlement.
5. That the said Naval Krishnadas Seth divided the villages into 18 vritties and reserving 6 for the maintenance of Choultry and temple gave away in charity with proper

(2)

proper Dana Sasana in regular sastraic fashion, the remaining 12 shares for a few Brahmans, who were required to live in - the Agraharam that was to be newly built and named after - him and offer prayers for the welfare of the Maharaja every day.

6. That the Government took possession of the villages in 1886 on the ground that the choultry and temple were in decay and that none of the vrittidars was living in the Agraharam and finally resumed the villages in 1894 under an - order No: 963-6/199 dated 6th July 1894. But on a representation submitted by the aggrieved vrittidars Government - ordered in their order No: 9048/G.R.13-69 dated 2-12-1894 that although the resumption must stand and continue that they would favourably consider the question of restoring the vritties or their equivalents after the donees build their Agraharam houses in a locality approved by the Deputy Commissioner, Mysore District and otherwise conform to the conditions of the original grant thus making it explicitly - clear that it was not the intention of Government to revoke the charity finally but only to hold it in abeyance.

7. That in G.O.No:797-8 dated 25-12-1898 it was ordered that a suitable site may be allotted to him for building - the house and that in 1904 another G.O.permitted the Deputy Commissioner to advance out of the arrears of vritti amount ~~sums~~ for building house.

8. That the Memorialist duly built up a house as soon as the site was finally allotted at Seringapatam and the -- amount of advance paid viz: in 1910, in the site selected - and allotted to him for the purpose by the Deputy Commissioner, Mysore District and that he did not allow any unnecessary delay to transpire in conforming to the conditions of the Government Orders.

9. That he has been living there ever since, although it

is

(3)

is a solitary locality, as he wanted to obey the condition laid down in the Government Order and been regularly offering prayers for the welfare of the Royal Family as enjoined on him in the Dana Sasana.

10. That since the amount received was not enough to complete the new house, he had to incur debts and also dispose of his ancestral house in the town.

11. That having thus fulfilled all the conditions laid down in the Government Order of 1894 the Memorialist submitted a due representation that either his vritti may be restored to him or its equivalent amount which was in -- arrears from 1895 to date, may be paid to him. In reply to it, after several reminders he was summoned in 1919 by the Muzarai Secretary to Government along with other vrittidars to Bangalore and a regular enquiry regarding their claims - was held, in the course of which he was asked to state whether he was prepared to have cash payment or the grant of - some land in lieu thereof. The Memorialist then submitted that he would accept either of the two as may be decided - by Government.

12. That nothing definite having been settled, the Memorialist kept on reminding and praying for the payment of his dues but to his surprise and disappointment he was informed in Government Order No: G.O. 3110-12/Muz: 696-15-11 dated 5-3-1921 that the arrears of the Vritti amount for - 1886 to 1894 were ordered to be paid by the Deputy Commissioner, Mysore District but no mention was made about payment of the dues for the subsequent period.

13. That the petitioner duly represented again to the - Dewan Sahab and Muzaroy Secretary that he had already received the amount for that period and that he had satisfied the requirements of the Government Order of 1894 in having

built

(4)

built and lived in the new house and otherwise fully conformed to the conditions of the original grant and that he ventured to pray that the promise clearly held out in this order (viz: to favourably consider the question of restoring the vritti or its equivalent) may be graciously fulfilled and that the vritti amount due from 1895 onwards, in arrears be paid to him. But the reply received in No:696/Muz:146-209 dated 11-8-1922 (copy of which is herewith enclosed for perusal) is to the effect that the decision arrived at in the order of 1921 cannot be reconsidered. The endorsement given in 1921 based on the order of that year does not at all refer to the claim for payment of the dues from 1895 onwards but simply authorises payment of the dues for the period of 8 years from 1886 to 1894 but neither in the endorsement of 1921 nor of 1922 is he informed whether the vritti amount for the subsequent period will be paid to him and if so when, and if not on what grounds it is denied and what further conditions he should fulfil to be entitled to the vritti or its equivalent. He is therefore totally at a loss to know whether at all the vritti or its equivalent is going to be restored to him after all this long expectation.

14. That the above Government Order has hit very hard the humble petitioner, who in his old age, with a blind wife, bereft of a promising young son, who was the prop of his life, and, with a son who is neither educated nor experienced in life, has already suffered considerably all these years. The petitioner is the only one vrittidar who has complied with all the requirements of the Government Order of 1894 faithfully but still he is not paid the amount legitimately due to him in spite of repeated prayers, both oral and written.

15. That from the commencement it was at no time anywhere

(5)

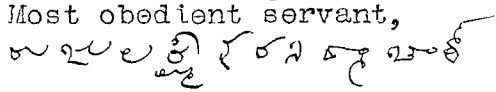

anywhere stated that the gift would be continued only for the period of 8 years only and that therefore it would be discontinued, but that on the otherhand the wording of the Government Order of December 1894 is quite clear and refers to the restoration of the vritti itself which could surely be not for a period of 8 short years only. Further even as late as 1919 i.e. 25 years after the order of 1894, it was the intention of Government to restore - the vrittidar's rights; otherwise the enquiry of 1919 referred to in para 11 supra, would have been quite unnecessary and out of place.

16. That in conclusion, he therefore ventures to hope - that your gracious Highness will not permit the Government to revoke a gift which was so charitably bestowed - by your Highness' Noble Grand father and thus ruin an - old man by denying him his legitimate due at the last - moment after his long and patient expectation for over 25 years; but that your Highness would take a merciful and just view of the case and order either the restoration of the vritti itself or the payment of its equivalent in arrears from 1895 up to date and its further continuance also.

17. For which act of Grace the humble petitioner in - duty bound will ever pray that Heaven's choicest blessing may be showered on your Highness and the Royal Family. ^S

18. Eagerly soliciting favourable orders in the matter and praying that the case may be finally considered and decided by your Highness only after a careful and detailed perusal of the connected orders and correspondence in the Government Secretariat.

Seringapatam,
12-10-1922.

The humble memorialist remains,
Your Highness
Most obedient servant,

Naval Krishnadas Agraphara,
Seringapatam, Mysore District.
